ELECTED BY THE EAST

Taft's Strength was in the Densely
Populated States, Bryan's in the
West and South

Washington, Nov. 5.—Bryan's chief
strength seems to have been in the
Middle West. There is a degree of
truth in the saying that he was last
night, "The East has elected a presi-
dent." New England, New York, New
Jersey and Pennsylvania rallied for
Taft with notable majorities. Out-
side of the solid south, Mr. Bryan's
main strength, as was to be expected,
lay in the west.

Mr. Bryan's pluralities in Nebraska,
which was carried by McKinley in
1900 and by Roosevelt in 1904, will
probably be 10,000. It seems probable
that Shallenberger, the fusion candi-
date for governor with the remainder
of the democratic-populist state ticket
and legislature have been elected.

Mr. Bryan also carried Colorado,
Nevada, Montana and Oklahoma.
Western states which except for Okla-
homa went for Roosevelt four years
ago. Oklahoma was not a state then.
All through the west and northwest
the reports show that Mr. Bryan has
made gains over the Parker vote of
1904. In all probability his vote will
be approximately what he received in
the election of 1900, possibly greater.

A PAYING INVESTMENT

Mr. John White, of 38 Highland
Ave., Houlton, Maine, says: "Have
been troubled with a cough every win-
ter and spring. Last winter I tried
many advertised remedies, but the
cough continued until I bought a 50c.
bottle of Dr. King's New Discovery
before that was half gone, the cough
was all gone. This winter the same
happy result has followed; a few
doses once more banished the annual
cough. I am now convinced that Dr.
King's New Discovery is the best of
all cough and lung remedies." Sold
under guarantee at all drug stores,
50c. and \$1.00. Trial bottle free.

BUSINESS MEN

WERE FOR BIG BILL

Cincinnati, O., Nov. 5.—"I believe I
was elected by the business men of
the country, democrats as well as re-
publicans; that I received by share of
the labor votes, and that the farmers
in the country generally voted for me.
I am very much gratified." With these
words William H. Taft summed up
the results of Tuesday's election.

"In my own state, and in Indiana
the result was very much affected by
the local liquor business, and it is
difficult to figure out just how it op-
erated. The sweeping victory in New
York, Massachusetts, New Jersey and
Connecticut is very gratifying to me."
Although Mr. Taft was up until a
late hour last night, he was up early
this morning, busying himself with
preparing a dedication speech to be
delivered this afternoon at the lay-
ing of the cornerstone of a high school
building. He goes to Hot Springs,
Va., Friday.

HEXAMETHYLENETETRAMINE

The above is the name of a German
chemical, which is one of the many
valuable ingredients of Foley's Kidney
Remedy. Hexamethylenetetramine is
recognized by medical text books and
authorities as a uric acid solvent and
antiseptic for the urine. Take Foley's
Kidney Remedy as soon as you notice
any irregularities, and avoid a serious
malady. Sold by all druggists.

TEDDY WAS DEE-LIGHTED

Washington, D. C., Nov. 5.—"We hit
'em hard, Jimmie," said President
Roosevelt, in greeting James Garfield,
secretary of the interior yesterday
morning at the White House. The
president is enthusiastic over the situ-
ation.

A TINY BABY

can't tell you in words what the trou-
ble is; but if its complexion gets
pasty, if it looks weaker and weaker,
loses flesh and is cross and peevish
you can be certain that it has worms.
Give it White's Cream Vermifuge;
guaranteed harmless. Expels the
worms and puts the baby in a healthy
normal condition. Sold by Anti-
Monopoly Drugstore.

GAMBLERS ARE GLOOMY

Their Opposition was Probably the
Most Potent Factor in the Election
of Hughes

New York, Nov. 5.—There is gloom
among the racetrack and sporting el-
ement over the re-election of Hughes
to the governorship. And it is not
lessened even in a slight degree over
the fact that he has announced his
intentions of continuing along old lines
and that he has an assembly back of
him to do it with.

RAW LUNGS

When the lungs are sore and in-
flamed, the germs of pneumonia and
consumption find lodgement and multi-
ply. Foley's Honey and Tar kills
the cough germs, cures the most ob-
stinate racking cough, heals the lungs,
and prevents serious results. The
genuine is in the yellow package.
Sold by all druggists.

NEW JERSEY WILL

BE WIDE OPEN

Newark, N. J., Nov. 5.—With the
election of William Harrigan as sher-
iff of Essex county, the state has gone
wild. It is believed the result will be
the collapse of the reform movement
in New Jersey. Harrigan represented
the liberal government. When the elec-
tion was assured the saloons opened
up and an orgy started.

PRINCE LOUIS OF SAVOY, DUKE OF THE ABRUZZI.

This member of the royal house of Italy has been of especial interest to
Americans on account of his stubborn determination to wed Miss Katherine
Elkins, daughter of the senior senator from West Virginia. He has encour-
tered great opposition from his family, especially from the queen dowager, and
there seems to be almost insurmountable difficulties in the way of the mar-
riage. The other figure in the cut is an aid.

A MILLION DOLLARS TO BOOT

Will Be Paid in the Swap of an
American Girl for an Italian
Title

Elkins, W. Va., Nov. 5.—Anticipat-
ing that the objections of Queen
Margherita will eventually be over-
come, preparations for the wedding
of Miss Katherine Elkins to the Duke
of the Abruzzi are now being made.
Unless there is an unlooked for
change in present plans, the wedding
will take place in Washington before
January 1st.

The winter home of Senator Elkins
has been decided upon in preference
to the country estate because of the
limited facilities to be found at the
latter place. Hotel accommodations
would prove inadequate to take care
of the numerous guests, and the rail-
road service is so poor that it would
be necessary to run special trains.
The four homes owned by the Davis
and Elkins families contain the ac-
commodations for about one hundred
guests, but even then there would not be room
enough for those who will receive
wedding invitations.

Cipher Cablegrams Daily

Miss Elkins drove to the village and
received two cablegrams from the
duke Friday. Both of them were in
cipher. The daily receipt of these
cablegrams indicates that the royal
suitor is keeping Miss Elkins in close
touch with his movements and of his
effort to obtain consent for the mar-
riage. None of Miss Elkins' friends
has any doubt that this consent
finally will be given.

The prospective bride is now hap-
pier than she has been since the
duke's departure for Italy. This is
believed to be due to the encouraging
tenor of the daily cablegrams. Visi-
tors to the Elkins home say that Miss
Elkins is studying the Italian lan-
guage and sings Italian melodies.

Dowry to Be \$1,000,000

As in the case of all marriages be-
tween noblemen and American hel-
loes there will be a dowry for the
duke. In this instance it will be a
substantial one, it being stated by the
Senator's intimate friends that \$1,-
000,000 in cash will be placed to the
credit of the royal explorer in some
Italian banking house on the day the
marriage takes place. The duke is
cognizant of the generous intention
of his father-in-law-to-be, and it is
believed that this will prove to be his
most effective argument in eventually
winning the consent of the Queen
mother.

A settlement of some kind would be
necessary in order that the couple
might live up to their position. The
duke's income is only \$24,000 a year.
Some of his exploring and scientific
expeditions were costly affairs, and
they made serious inroads on his fi-
nancial resources.

A significant remark made recently
by Senator House Cassaway Davis is
causing considerable comment. The
old Senator is known to be heartily
in favor of the marriage. In discuss-
ing it with a prominent politician he
said: "If Steve can't put up the
money, I will."

Senator Can Raise Cash

The suggested inability of the Sen-
ator to get a sufficient amount of ready
money is interesting in view of some
of the negotiations he is known to
have on hand looking toward the sale
of some of his most valuable prop-
erty. The Baltimore and Ohio has
been anxious to purchase the Mor-

PUTNAM IS PROGRESSIVE

Our Neighbor County on the North-
east Will Bond for \$100,000 for
Improvements.

Palatka, Nov. 5.—There was great
rejoicing in this city yesterday over
the result of the bond election held
Tuesday. The voting occurred simul-
taneously with the balloting on the
general election. With only one pre-
cinct to hear from, the bonding propo-
sition has a majority of about 400
votes. In the city of Palatka and
Palatka Heights there was a total
vote of 623 out of which number 479
were for bonds. The only opposition
that developed was in some of the
back county districts but this did not
amount to very much. The amount
involved in this election is \$100,000.
Several months ago the Young Men's
Business League was organized to act
with the board of trade in carrying
on a campaign in favor of the bond-
ing proposition. Committees worked
in every precinct in the county, en-
lightening the voters as to what was
intended to be done with the money,
how it was to be spent, and all infor-
mation that the elector usually re-
quires furnished in detail. Tuesday's
ballots showed the effect of this cam-
paign of education. In the bonding
proposition, this included \$100,000 for
good roads throughout the county,
about \$40,000 for a bridge across the
St. Johns river between Palatka and
East Palatka, a new county court-
house and some minor county im-
provements. The plans for good roads
include a paved highway running the
full length of the county from Clay
or the north to Volusia on the south.
Clay county has already taken action
looking to the construction of a paved
highway from the Putnam county line
to the Duval county line, so that
the prospect is within a very short
time there will be a splendid road
from Jacksonville to DeLand and
points beyond.

A HAIR'S BREADTH ESCAPE

Do you know that every time you
have a cough or cold and let it run
on thinking it will just cure itself
you are inviting pneumonia, consump-
tion or some other pulmonary trouble.
Don't risk it. Put your lungs back in
perfect condition and stop that cough
with Ballard's Horehound Syrup.
Price 25c, 50c and \$1.00 per bottle.

BRYAN SLEPT LIKE A BABY

On the Night of His Defeat and Said
Grace at Breakfast Next
Morning

Fairview, Lincoln, Nov. 5.—Although
it was after midnight before Mr. Bryan
retired, he was up early and as far
as appearance the defeat was nothing
in his manner to indicate disappoint-
ment over the result of the election.
He greeted callers with a smile and
looked over the papers. Before mak-
ing any statement he said he wanted
to get actual results in Ohio Indiana
and Kansas. Bryan's daughter said
her father "slept like a baby." There
were no absentees from the breakfast
table when the former candidate with
bowed head, offered thanks for bless-
ings bestowed upon him.

BRYAN CARRIED NEBRASKA

The Prophet will be at Least Honored
in His Own County

Lincoln, Neb., Nov. 5.—In the elec-
tion Tuesday Bryan reversed the ma-
jority of 3,000 in Lincoln, carrying his
home county by a handsome majority,
and he will win the state by 10,000.
The vote is unprecedented, this being
considered a banner republican strong-
hold. The republican state ticket is
probably defeated.

THEY TAKE THE KINKS OUT

"I have used Dr. King's New Life
Pills for many years, with increasing
satisfaction. They take the kinks out
of stomach, liver and bowels, without
fuss or friction," says N. H. Brown, of
Pittsfield, Vt. Guaranteed satisfac-
tory at all drug stores, 25c.

SOUTH REMAINS SOLID

Atlanta, Ga., Nov. 5.—The solid
south remains democratic. Missouri,
which slipped into the republican
ranks in 1904 because so many demo-
crats, supporters of Bryan, remained
at home is again in the democratic
column. Her majority for Bryan is
about the same as it was in 1900—
35,000.

Kentucky, a border state, in which
the result is always more or less in
doubt, is in the democratic column by
a majority of about 15,000. There
was no other state in the south to
which the republicans made any ser-
ious pretensions.

Georgia's plurality for Bryan is re-
duced from 53,000 for Parker in 1904
to about 20,000.

IT'S A CRIME

To neglect your health. The worst
neglect that you can be guilty of is
to allow constipation, indigestion or
any liver or bowel trouble to con-
tinue. It is poisoning your entire
system and may lead to a serious
chronic disease. Take Ballard's Her-
bine and get absolutely well. The sure
cure for any and all troubles of the
stomach, liver and bowels. Sold by
Anti-Monopoly Drugstore.

MARYLAND RETURNED
